3rd Annual "RIDE FOR RETT SYNDROME" Motorcycle Ride

Please join us Saturday, October 31, 2009, for a ride that could make all the difference!

What? - Rett Syndrome is a devastating neurological disease that primarily affects young girls and women. Girls with Rett Syndrome cannot talk, many cannot walk, and most cannot use their hands. They require total care from parents or care-givers.

Who? - **ALL RIDERS/BIKERS are welcome!!** All monies collected will benefit local girls and women with Rett Syndrome. The ride will benefit SRSA (Southeastern Rett Syndrome Alliance), UAB Rett Syndrome Center of Excellence, and IRSF (International Rett Syndrome Foundation).

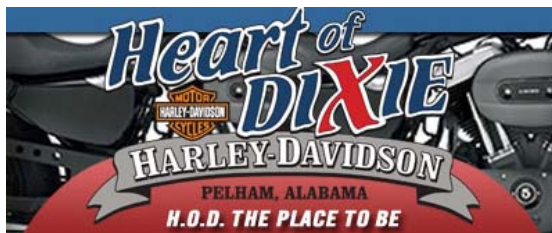

Where? - Registration begins at 9:00 AM at the Heart of Dixie Harley Davidson, Pelham, AL. Registration/donation is \$25/bike. The ride starts at 10:00 AM and ends at approximately 12:30 PM, at Veteran's Park in Alabaster. We will be grilling hotdogs at the end of the ride for everyone!!

Why? - Because the girls need your help, their families need your help, and treatment is becoming a reality. We promise that you will meet some of the sweetest, most beautiful girls in the world.
