

Blue Sky Girls

Please join us in uniting Girls with Rett Syndrome from around the world in our 1st Annual Blue Sky Girls Event.

Blue Sky Girls is a ground breaking event that's purpose is to increase public awareness of Rett Syndrome.

"We unite our voices to demand an appropriate education as we embrace life to its fullest potential while we wait for the day that a cure arrives."

--500 girls with Rett Syndrome from
around the world

Help our voices be heard
