

# Strollathon

## Stroll & Roll for Rett Syndrome

INTERNATIONAL RETT SYNDROME FOUNDATION  [www.rettssyndrome.org](http://www.rettssyndrome.org)

A Strollathon is a fun filled event that raises research funds for the International Rett Syndrome Foundation. Rett syndrome (RTT) is the leading genetic cause of severe impairment in girls. RTT leaves its victims profoundly disabled requiring assistance with every aspect of daily living. RTT is the only autism-spectrum disorder with a known genetic cause.

To register online or donate  
please visit:
