

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It is my pleasure to join with the International Rett Syndrome Foundation (IRSF) in recognizing October 2012 as Rett Syndrome Awareness Month. I would like to extend my support and encouragement to all citizens who are suffering from this disease, and to the devoted community who strives to increase public awareness about Rett Syndrome.

Since its inception in 2007, IRSF has worked hard to raise awareness and funds for research projects to find a cure for Rett Syndrome, a devastating neurodevelopmental disorder. IRSF strives to enhance the quality of life for those living with Rett Syndrome by providing information, programs and services. I commend IRSF for supporting patients and families suffering from this disease. It is my hope that the efforts of the IRSF community will help to find a cure for this disease.

As Governor, and on behalf of all Pennsylvanians, I am honored to join with the International Rett Syndrome Foundation to recognize October 2012 as Rett Syndrome Awareness Month. I wish you the best of luck in your efforts to raise awareness and funds for Rett Syndrome research and support.
