

Golfing Events

We have many avid golfers in our IRSF family! Hosting a Golf tournament is a great way to raise funds for IRSF while having a great time with fellow golfers and friends.

We have all the materials you'll need to host a successful Golf Tournament, including a step-by-step Golf Manual. In 2008 IRSF families and friends held over 12 Golf tournaments all over the country and each year that number grows by leaps and bounds! Contact the IRSF office if you're interested in hosting a Golf event or would like to participate in one near you!
