

Matching Gift Program

Many companies have programs through which they will "match" the charitable contributions made by their employees. Through corporate gift matching, your employer can multiply your gift to IRSF, making it go further.

Check with your company's Human Resources office to see if they offer gift matching. (If they don't, you may want to ask your company to start one.) If your employer does offer this program, your Human Resources department should provide you with a matching gift form to send to IRSF along with your donation.

Conditions and criteria for gift matching vary by employer. Some companies offer a payroll deduction plan. For more information or if you are not sure if IRSF qualifies for your company's gift matching program, call (513) 874-3020 and we'll be glad to give you information about our mission and programs.
