Biography

I was born and raised in Albuquerque New Mexico. I have a son that was born in September 2009. I am currently in school for elementary education concentrating on special education. I hope to be a special education teacher for first through fifth grade. I am currently the Co-Rep for Arizona and I am also trying to help families in New Mexico as much as I can until they get a representative. My little sister Dierdre has Rett syndrome. She brings joy to everyone who knows her. I hope to bring awareness of Rett syndrome to more people. I am so excited coordinate fundraisers and family get togethers.
