### Biography

We became Regional Reps for the state of Nevada about 3-4 years ago when we found out our daughter Michelle had Rett Syndrome after almost 3years of misdiagnosis and agrivation. We have two other children both boys our oldest is Dylan who is 17years old and graduates high school this year, and then our youngest Michael Jr. who is 5 years old. Michelle is very fortunate to have such great brothers, they both love her tremendously.

I would like to let all parents know that I have been very busy at home and now that i am starting to get a little bit of a break I am hoping to do alot more I also got a co-Rep her name is Evie and she seems very awesome.

I also wanted to let any of the parents out there who are Catholic that if you go and talk with the church they can and will do a special communion/confirmation all in one for your daughter. I just went to our local church and asked about it and he made the suggestion to do them both rolled into one and had no problem doing this.

I am still learning a lot that there is to know so I may not be that helpful but I am here if you would just like to talk and get things out. Sometimes the best way to work out a problem is to just talk it thru and the answer comes out of nowhere.
