Biography

My daughter Garnett was diagnosed at 20 months old with Rett Syndrome. Garnett is now five and living a happy, healthy life here in Hopkinsville, Kentucky. Garnett lives with mom, dad B.J., and little sister Kate. She loves her grandparents, School, and Blues Clues.

The professionals listed above have been added by individual Rett families. IRSF has not performed any background research on these individuals and in no way endorses any opinion on the professional expertise or experience of the listed individuals. The inclusion of any professional on this list does not indicate a recommendation or referral by IRSF or its staff.

Helpful Hints and Personal Messages

Unique Ideas and Suggestions

Messages from Individual Regional Reps

I think that it's very important to keep our girls active. Garnett loves being outside, riding horses and riding in her gator. One thing that I have learned over the past few years is that each girl is so different.
