

What is a RettAway?

IRSF's RettAway is a destination vacation for families to spend time together and build connections with other members of our Rett community. RettAways are held exclusively in locations that understand the challenges and joys of caring for a loved one with Rett syndrome. It's not a conference, just an exclusive opportunity for families to have fun together and thrive.

This year's RettAway brings us to Morgan's Wonderland in San Antonio, Texas! Join us for fun in the sun at this accessible theme park, including an afternoon at Morgan's Inspiration Island Splash Experience reserved just for Rett families. There will be ample time to catch up with friends new and old throughout the weekend or explore all the city has to offer. No matter where you are on your Rett journey, there will be activities, support, and bonds to be made at this June's RettAway.

What is Morgan's Wonderland?

[Morgan's Wonderland](#) is the world's first theme park designed with special-needs individuals in mind and built for everyone's enjoyment. While other theme parks accommodate people with disabilities and/or special needs, Morgan's Wonderland was created with them in mind. This unique park was created to enable everyone to come together and have fun, regardless of their abilities. However, instead of building a park and then making accommodations for individuals with special needs, the Morgan's Wonderland team began by identifying what obstacles and barriers occur within the special-needs community, then designed the park to help individuals with special needs overcome those challenges and be able to have fun like those without limitations.

What's the difference between Morgan's Wonderland and Morgan's Inspiration Island?

[Morgan's Inspiration Island](#) is composed of five splash pads, a sensory-friendly boat ride, water wheelchair use (as available), entertainment, and plenty of fun in the sun and water time with IRSF and Rett syndrome families.

The RettAway will take place at Morgan's Inspiration Island on Friday. Your registration includes lunch in the Event Center and admission to IRSF's exclusive afternoon at Inspiration Island.

Morgan's Wonderland offers "dry" attractions such as a Carousel, Whirling Wonder Ferris Wheel, Wonderland Express train, and (much) fully-accessible more. You can purchase Saturday admission to Morgan's Wonderland at the gate at a discounted group rate of \$10/per person when you mention you are with IRSF.
