

Blue Bird Rett Camp

For the Rett Syndrome Community

When: Saturday, April 22nd, 2023

9:00 am – 4:00pm

Where: **Camp Journey in the Woods (New Location)**

Bellville, Texas – 5193 TX-36, Bellville, Texas 77418

Who: Everyone!

Cost: \$15 per Adult \$10 per Child

Individuals with Rett are free

We are at a NEW LOCATION. You won't want to miss this camp! The Rett community has exciting news to share this year. The topics to discuss will be: Trofenitide studies, on-going Rett related MECP2, genetic studies and behavior sensory survey. The FDA approved Trofenitide – now called Daybue. This is the first pharmaceutical treatment for Rett Syndrome. This is your chance to speak with the doctors and parents whose children were in the study. Our results were amazing and we have been waiting for this release. Please don't miss this information.

The camp is also great opportunity to speak with other parents and make new friends. Our journey was made so much easier by the knowledge we gained from other parents. Mark your calendars.

Please **text Jana Tovey Cook 832.493.2942** with head count! Please don't hesitate to call with any questions after March 31st (I'll be on vacation until then).

Event will commence Rain or Shine

Hosted by Cook / Tovey families

Generously sponsored by the Blue Bird Circle Rett Center

Baylor College of Medicine, Texas Children's Hospital - Houston
